Project Title: Markleeville Creek Floodplain Restoration Project

Project Applicant: Alpine County

Project Location (include county): Markleeville, Alpine County, CA

Project Description:

The Markleeville Creek Floodplain Restoration Project (Project) is intended to re-establish the natural form and function of Markleeville Creek at the site of the former United States Forest Service (USFS) Markleeville Guard Station. The Project will re-create the streamside habitat by removing the floodwalls and artificial fill material, and re-vegetating all disturbed areas. In addition to addressing the environmental restoration needs of this site, the Project will also provide various community benefits including utility improvements and public access for recreation such as walking paths, interpretive signage, picnicking and parking. +

This is to advise that the Alpine County Board of Supervisors has approved the above
