5. PROJECT TITLE: Revision to the Safety Element of the Alpine County General Plan
6. LOCATION: Alpine County, CA (project encompasses the entire county)
7. DESCRIPTION: The project is a complete revision to the Safety Element of the Alpine County General Plan. The Safety Element establishes goals, policies and implementation measures intended to avoid or minimize human injury and protect property by reducing the exposure of the community to hazards. The Alpine County Safety Element addresses the following hazards that are known to have potential for causing injury to people or damage to property in the County:
 - A. Wildland Fire
 - B. Geologic Hazards
 - D. Flood
 - E. Noise
 - F. Hazardous Materials

PROPOSED ENVIRONMENTAL DETERMINATION: An initial study in accordance with Section 21080(c) of the California Environmental Quality Act (CEQA) has been completed. The Alpine County Community Development Department has proposed a determination that this project will not have a significant effect on the environment, and has issued a draft Negative Declaration. This Initial Study and draft Negative Declaration has also been submitted to the California State Clearing House for review as required by CEQA.

DECISION ON THE NEGATIVE DECLARATION: The Alpine County Board of Supervisors will make the final decision on the proposed negative declaration at a regular meeting, date and time to be determined.

PUBLIC COMMENT PERIOD: Written comments on the Initial Study and proposed negative declaration are being accepted by Alpine County Community Development Department. Comments received by April 17, 2020 will be included in information provided to the Board of Supervisors prior to their decision as noted above.
