Monday November 30, 2020

RED TIER - summary of industry guidelines (effective Sunday November 29)

1. **Restaurants – Reduced to 25% capacity** or 100 people, whichever is fewer, with modifications
2. **Bars – Closed**. Bars serving food may operate and serve alcohol following restaurant guidelines

Note – Please see the links to new revised guidance documents for restaurants and bars. A summary of the changes:

1. Separated the Restaurants, Wineries, and Bars guidance into three separate guidance documents.
 2. Added Tiers language
 - a. Included information about performances/performers in these settings and references forthcoming live performances guidance
 3. Added language about ventilation
 4. Revised Face Coverings section to reference CDPH guidance
 5. Includes consideration for employers to provide a second barrier (e.g., face shield or safety goggles) to workers who consistently come within 6 feet of customers and co-workers.
 6. Includes physical distancing between tables measuring from the backs of the chairs
3. **Personal Care Services** – Open with Modifications – see the link below for details
 4. **Family Entertainment Centers** – Open for outdoor activities only with modifications; indoor activities (e.g., pools, spas) are closed
 5. **Gyms and Fitness Centers** –Reduced to 10% capacity with modifications
 6. Movie Theaters –reduced to 25% capacity or 100 people whichever is fewer, with modifications
