CALIFORNIA GENERAL ELECTION OFFICIAL VOTER INFORMATION GUIDE

You can find detailed information about the state propositions on your ballot in the California Statewide Direct Primary Election Official Voter Information Guide, which will be mailed to you by the California Secretary of State's Office. If you or someone you know does not receive the guide from the Secretary of State, you may view the information at www.voterguide.sos.ca.gov or you may pick up a copy of the guide at your local library or my office.

INFORMATION ABOUT THE VOTING SYSTEM

The voting system for Alpine County was implemented at the June 2006 Primary Election as a requirement of the federal Help America Vote Act (HAVA), enacted to improve the administration of elections in the United States, and California's Proposition 41, the Voting Modernization Act (Prop. 41). The voting system meets all the HAVA requirements, including the requirement to have a voting system that is accessible for any disabled voters. The County contracted with Premier Election Solutions for the AccuVote OS, optical scan voting system for mail-ballot voting, and for the AccuVote TSX direct recording electronic voting system for accessibility for disabled voters.

THE OPTICAL SCAN BALLOT AND VOTING SYSTEM:

The system for mail ballots is the paper-based AccuVote OS voting system that uses an optical scan ballot. Your optical scan ballot is enclosed in this envelope. You will find a Voter Instruction Guide for the optical scan ballot in the Sample Ballot Pamphlet. The guide will give you complete instructions for voting the optical scan ballot. With the optical scan ballot, all races are on one ballot – look at both sides for all candidates and measures – to vote you will fill in the oval to the left of the candidate or measure of your choice. Please use a dark colored pen or pencil. (Preferably black or blue, but please do not use red.)

After marking your ballot choices, you will return you ballot in the identification envelope, exactly as you have in the past.

THE DIRECT RECORDING ELECTRONIC (DRE) VOTING SYSTEM:

Under the Help America Voting Act, the accessibility requirements for accessible voting may be satisfied through the use of at least one direct recording electronic (DRE) voting system at each polling place. Because we vote by mail, and don't have polling places, a DRE will be available at the County Clerk's office for any voter. The DRE equipment can provide multi-lingual ballots, if required, provides an audio ballot for visually impaired voters, permits wheel-chair accessibility

for persons with mobility impairment, prohibits over-voting in a contest, and warns if the voter has not cast a vote in every race. Our AccuVote TSX unit is a non-networked system that enables voters to cast a secure electronic ballot. The DRE unit that we use has a voter verified paper audit trail to provide a paper record of all ballots cast.

RETURNING YOUR VOTED MAIL BALLOT:

After voting, and completing the return identification envelope, you may return your vote by mail ballot by mail or by delivering to the County Clerk's Office. ***Reminder: if you return your ballot by mail, please mail early -- postmarks do not count in California.*** **I RECOMMEND YOU MAIL YOUR BALLOT NO LATER THAN WEDNESDAY, MAY 28TH.**

You may return your ballot in person to the County Clerk's Office, 50 Diamond Valley Road, County Administration Building, Woodfords, California anytime between now and 8:00 p.m. on Election Day.

COUNTING BALLOTS:

Ballot tabulation is open to the public. Ballot tabulation/counting will commence at 8:00 p.m. in the Administration Building at 50 Diamond Valley Road, Woodfords. Please feel free to come and observe the ballot tabulation process. We announce vote totals as precincts are counted and prepare a semi-official accounting at the end of the tabulation process. We will have coffee and cookies available during the process.

Alpine County voters have proven in every election that they care about voting and believe in the democratic process – we are always in the top five counties in California for highest voter turnout, and have had the highest turnout in the state several times. Please help keep this tradition alive. Be sure to vote on Election Day!

Please call the County Clerk's Office if you have any questions regarding the election or voting. Our number is 530-694-2281. E-mail: bhoward@alpinecountyca.gov

VOTER INFORMATION - ELECTIONS IN CALIFORNIA

The Top Two Candidates Open Primary Act, which took effect January 1, 2011, requires that all candidates for a voter-nominated office be listed on the same ballot. Previously known as partisan offices, voter-nominated offices are state legislative offices, U.S. congressional offices, and state constitutional offices.

In both the open primary and general elections, you can vote for any candidate regardless of what party preference you indicated on your voter registration form. In the primary election, the two candidates receiving the most votes – regardless of party preference – move on to the general election. If a candidate receives a majority of the votes (50 percent + 1), a general election still must be held.

Write-in candidates for voter-nominated offices can only run in the primary election. However, a write-in candidate can only move on to the general election if the candidate is one of the top two vote-getters in the primary election. Additionally, there is no independent nomination process for a general election.

California's open primary system does not apply to candidates running for U.S. President, county central committee, or local offices.

California law requires the following information to be printed in this notice:

VOTER-NOMINATED OFFICES
Political parties are not entitled to formally nominate candidates for voter-nominated offices at the primary election. A candidate nominated for a voter-nominated office at the primary election is the nominee of the people and not the official nominee of any party at the general election. A candidate for nomination to a voter-nominated office shall have his or her party preference, or lack of party preference, stated on the ballot, but the party preference designation is selected solely by the candidate and is shown for the information of the voters only. It does not mean the candidate is nominated or endorsed by the party designated, or that there is an affiliation between the party and candidate, and no candidate nominated by the voters shall be deemed to be the officially nominated candidate of any political party. In the county sample ballot booklet, parties may list the candidates for voter-nominated offices who have received the party's official endorsement.

Any voter may vote for any candidate for a voter-nominated office, if they meet the other qualifications required to vote for that office. The top two vote-getters at the primary election move on to the general election for the voter-nominated office even if both candidates have specified the same party preference designation. No party is entitled to have a candidate with its party preference designation move on to the general election, unless the candidate is one of the two highest vote-getters at the primary election.

NONPARTISAN OFFICES
Political parties are not entitled to nominate candidates for nonpartisan offices at the primary election, and a candidate at the primary election is not the official nominee of any party for the specific office at the general election. A candidate for nomination to a nonpartisan office may not designate his or her party preference, or lack of party preference, on the ballot. The top two vote-getters at the primary election move on to the general election for the nonpartisan office.

For additional information about California's "Top Two Candidates Open Primary Act" Election law, please visit the Secretary of State website at www.sos.ca.gov, or call the Alpine County Clerk at 530-694-2281.

STATEMENT OF CANDIDATE FOR UNITED STATE REPRESENTATIVE DISTRICT 4

TOM MCCLINTOCK
Occupation: United States Representative
Age:
Education and Qualifications:

This election is not about parties. It is about policies that work and policies that don't.

Our nation has enjoyed its greatest prosperity when it has known its greatest freedom. We faced an equally depressing economy during the Carter years, but then we elected Ronald Reagan. He dramatically reduced the bureaucratic burdens and taxes that were crushing American families and he produced one of the most prosperous periods of our nation's history.

During the last six years, we have done exactly the opposite with exactly the opposite results. This administration made a lot of promises that turned out to be untrue. As a result, our healthcare system is in chaos, average household earnings have shrunk, our constitutional rights are under siege, our national debt has doubled and our children are in danger of becoming the first American generation to be less well off than their parents.

You know where I stand. I have fought against these policies of debt, doubt and despair. I have warned that this government has grown too big and too powerful at the expense of hard-working taxpayers. I have stood for restoring those uniquely American principles of individual liberty, constitutionally limited government, and personal responsibility that are the foundation of our nation's freedom, prosperity and happiness.

I am asking for your support to continue this work. You can read more about my proposals at tommcclintock.com.

/s/ Tom McClintock

STATEMENT OF CANDIDATE FOR UNITED STATES REPRESENTATIVE DISTRICT 4

ARTHUR "ART" MOORE
Occupation: Businessman/Military Officer
Age: 36
Education and Qualifications:

I am running for Congress because I have a life long calling to serve our great nation. I served our country as an officer in the U.S. Army leading soldiers in three overseas tours, including twice during Operation Iraqi Freedom. I've worked as a business leader creating jobs through a recession. I now wish to serve you by adding a new voice to Congress and doing the hard work necessary to get this country moving in the right direction.

We live in an era where the system is broken and only getting worse – where career politicians believe that running up huge deficits and then increasing taxes is good policy. They think the solution to our challenges is massive government programs like Obamacare.

I want to bring new vigor and dedication to the fight for an economy that creates jobs, allows small businesses to thrive and defends the right of individuals to make their own health care decisions.

Washington is bombarded by special interest voices and gridlocked by entrenched politicians. We can do better. I will go to Washington and make sure the voices of my constituents are heard, and the best interests of the district are represented.

To learn more about my campaign, please visit artmooreforcongress.com. America's greatest days are still ahead of us. It's been my sacred honor to serve you in uniform and I would be honored to have your vote and represent you during these critical times for the region, our state and the nation.

/s/ Arthur "Art" Moore

STATEMENT OF CANDIDATE FOR STATE ASSEMBLY DISTRICT 5

FRANK BIGELOW
Occupation: Rancher and Businessman
Age:
Education and Qualifications:

As a 4th generation cattle rancher and volunteer firefighter, I serve my community out of a deep respect for the sacrifices made by those who built our great community.

Unfortunately, the Sacramento politicians haven't shown that same respect. In fact, every election year the politicians promise to end our economic crisis but its clear things have only gotten worse; too many of our neighbors are out of work and taxes are too high.

I've grown tired of the empty campaign promises and of the failure to get the job done by Sacramento politicians. To put it bluntly, I've had enough and that's why I'm running for State Assembly.

As a County Supervisor, I'm working to protect taxpayers by leading the fight to stop Jerry Brown's $7 billion tax increase and the $100 billion High Speed Rail boondoggle the politicians sold us. I've worked to attract and keep jobs in our community and I've fought to make government accountable to taxpayers. I voluntarily cut my own pay 9%, reduced government spending, opposed budgets that rely on more borrowing and gimmicks, and built a rainy day reserve to protect taxpayers.

I'm honored my conservative economic policies to create jobs have earned the trust and support of Lew Uhler, President of the National Tax Limitation Committee and the Madera Taxpayers Association.

I'm proud that my record for supporting tough laws and tough punishments has earned me the support of Sheriff John Anderson.

I'd be honored to have your vote as well.

Occupation: Incumbent
Age: 63
Education and Qualifications:

It has been my pleasure representing Alpine County as District 4 Supervisor since 2003. I have lived in District 4 as a full time resident since 1992 and a homeowner since 1987. I am a business owner, am active in community and local government issues, and have community experience that includes being a former member of: the CSA #1 Board of Directors, and the Bear Valley Residents, Inc. Board of Directors. I am a long time member of the Bear Valley Architectural Review Committee, the Bear Valley Business Association, and the Bear Valley Volunteer Fire/EMS/Search & Rescue.

While serving as Supervisor, I have worked collaboratively within our communities, county, and numerous multi-county agencies on various issues involving local, state and federal concerns. I represent Alpine County on the Board of Directors of the California State Association of Counties. I have taken a leadership role in the promotion of Fire Safe Awareness and have helped secure funding for county and residential fuels reduction projects. I'm a strong advocate for county-wide children's 0-5 pre-school education and children's recreational programs.

I look forward to your support in representing both the Bear Valley and Kirkwood communities as your District 4 Supervisor.
