Shasta Builders Exchange, Redding, California
Valley Contractors Exchange, Chico, California

The Contractor must have either a Class A license or a combination of Class C licenses that make up a majority of the work.

The DBE Contract goal is (18%) Eighteen percent.

Federal-aid project no.: **BRLO-5931(030)**

For the federal training program, the number of trainees or apprentices is 4.

Bids must be on a unit price basis.

Complete work, excluding plant establishment work, within 160 working days.

Complete plant establishment work within 5 years.

The estimated cost of construction is \$3,445,000.

An optional pre-bid meeting is scheduled for 10:00 a.m. on Wednesday, October 13, 2021, at the Hot Springs Creek Bridge project location in the County of Alpine, near Markleeville, CA 96120. The pre-bid conference is not mandatory.

The County will receive sealed bids until 2:00 p.m. on the bid open date to the clerk at the County's Board of Supervisors Chambers at 99 Water Street, Markleeville, CA 96120. Bids received after this time will not be accepted.

The County will immediately open and publicly read the bids at the mentioned location after the specified closing time. The County reserves the right to reject any and all bids.

Questions or comments regarding this project must be submitted via email to Michelle Gamble, Project Manager at mgamble@lumosinc.com no later than 4:00 p.m. local time on Friday October 22, 2021. Questions received after this time will not be accepted. Responses will be communicated via the Lumos plan room through an addendum.

Submit your bid with bidder's security equal to at least 10 percent of the bid.

You must take necessary and reasonable steps to ensure that DBEs have opportunity to participate in the Contract (49 CFR 26).

No contractor or subcontractor may be listed on a bid proposal for a public works project (submitted on or after March 1, 2015) unless registered with the Department of Industrial Relations pursuant to Labor Code section 1725.5 [with limited exceptions from this requirement for bid purposes only under Labor Code section 1771.1(a)]. No contractor or subcontractor may be awarded a contract for public work on a public works project (awarded on or after April 1, 2015) unless registered with the Department of Industrial Relations pursuant to Labor Code section 1725.5. This project is subject to compliance monitoring and enforcement by the Department of Industrial Relations.

Prevailing wages are required on this Contract. The Director of the California Department of Industrial Relations determines the general prevailing wage rates. Obtain the wage rates at the DIR Web site, <http://www.dir.ca.gov>, or from the County's Community Development Department.

The federal minimum wage rates for this Contract as determined by the United States Secretary of Labor are included in the *Bid Book* and are available at https://beta.sam.gov/search?keywords=&sort=-modifiedDate&index=wd&is_active=true&page=1.

If the minimum wage rates as determined by the United States Secretary of Labor differs from the general prevailing wage rates determined by the Director of the California Department of Industrial Relations for similar classifications of labor, you and your subcontractors must not pay less than the higher wage rate. The County does not accept lower State wage rates not specifically included in the federal wage determinations. This includes helper, or other classifications based on hours of experience, or any other classification not appearing in the federal wage determinations. Where Federal wage determinations do not contain the State wage rate determination otherwise available for use by you and your subcontractors, you and your subcontractors must pay not less than the Federal minimum wage rate that most closely approximates the duties of the employees in question.

Prior to the issuance of the Notice to Proceed, you will attend a pre-construction conference held at the office of the Community Development Department for the purpose of discussing the scope of work, Contract drawings, specifications, existing conditions, material to be ordered, equipment to be used, and all essential

matters pertaining to the prosecution and the satisfactory completion of the project. You **MUST** include all major superintendents for the work and major sub-contractors at this conference. You must appoint a superintendent to act as the single point of contact for the duration of the project. In the event a substitution should be made during the project, you will provide this information in writing.

The U.S. Department of Transportation (DOT) provides a toll-free hotline to report bid rigging activities. Use the hotline to report bid rigging, bidder collusion, and other fraudulent activities. The hotline number is (800) 424-9071. The service is available 24 hours 7 days a week and is confidential and anonymous. The hotline is part of the DOT's effort to identify and investigate highway construction contract fraud and abuse and is operated under the direction of the DOT Inspector General.

California Department of Transportation has made available Notices of Suspension and Proposed Debarment from the Federal Highway Administration. For a copy of the notices, go to http://www.dot.ca.gov/hq/esc/oe/contractor_info. Additional information is provided in the Excluded Parties List System at <http://www.epls.gov>.
